May 10, 2018

Dear RSMYLF,

On Friday, May 4, 2018, 20+ members of our FMCA Golden Spike Chapter descended upon Camp Pendleton and visited both Las Flores Adobe and Rancho Santa Margarita. Although our schedule was a bit confused, we had a great time and enjoyed our visit. The docents who met us at Rancho Santa Margarita split us in two groups and gave us a thorough and detailed tour of the Rancho and its history.

We are an RV group associated with FMCA (Family Motor Coach Association). Our chapter enjoys traveling in the western United States, riding tourist trains and enjoying historical museums. We were in San Diego, staying in Santee Lakes, for a long weekend. We rode both the Green and Orange Trolley lines and visited Camp Pendleton. We enjoyed the RR museum in La Mesa and also the model train exhibit in Balboa Park.

We greatly appreciated the energy that your docents spent in making us welcome in Camp Pendleton. For that kindness, please find an enclosed check for \$100. We hope that this modest contribution will make a small difference in your dedicated service to Rancho Santa Margarita Y Las Flores at Camp Pendleton.

Sincerely,

Dan St. John, Conductor
